2	3 Some questions were repeating
3	4 no
4	5 Sometimes I found it difficult to answer some questions. That could be because the questions werenot self-explanatory enough, or I'm just not used to these type of studies/questions and therefore struggled a bit
6	8 First set of questions were a bit abstract, is hard to emotionally relate to words
8	10 selection of additional words per area is a bit clumsy and not self expaining.
